

St Patrick's Catholic Primary School

NEWSLETTER – ISSUE 22 13th March 2026

Dear Parents, Carers and Parishioners,
A huge thank you to everyone who attended the 'Learn with me' sessions this week. The support was amazing and very much appreciated. Thank you to our wonderful staff for the effort they put in for the session and for the commitment they show every day. Next week is very important as we celebrate St Patrick's Day on the 17th of March. Read below to see how we are going to make the day special.
Have a lovely weekend.

Parent and Pupil Sessions

A huge thank you for all your support and participation in making the sessions throughout the week a great success.

ST. PATRICK'S DAY ☘ 17TH MARCH ☘ CÉILIDH DANCING WORKSHOP

**PARENTS AND FRIENDS INVITED
TO COME AND DANCE AT 3PM**

Celebrating the Feast of St Patrick

On Tuesday, we are celebrating St Patrick's Day. To commemorate the day we ask if the children can wear something green.

During the afternoon, the children will be taking part in Ceilidh dancing workshops which should be great fun. We would also like to invite parents and family to come and join us at 3pm to join in. Please come and have a dance to celebrate St Patrick's day.

Procedure for appointments during school hours

If you have to take your child out of school for any reason, including a medical, dental, school visit appointment, please could you inform the school office prior to the appointment along with any supporting evidence of the appointment. This is so that we can authorise the absence where we can and your child is not marked as unauthorised in our register.

Please see below guidance from the government regarding school attendance. <https://www.gov.uk/school-attendance-absence>

Children should aim to arrive in school by 8.55 am at the latest. **Persistent lateness causes disruption to your child's education.**

Late arrivals

We understand that mornings can be hectic and that, on occasion events beyond parents' control can cause delays on the journey to school. However, we have noticed that the number of children arriving at school after the gates have closed at 8:55am has increased in recent weeks.

Class registers are taken at 9:00am prompt as we don't want to miss any learning opportunities. **All children should be in class and sat down by 9:00am.**

Year	Attendance this week:
R	100%
1 / 2	98.76%
3 / 4	89.44%
5 / 6	98.83%
Weekly Overall Attendance: 96.06%	
Yearly Attendance to date: 94.22%	

Standards at St. Patrick's

Our expectations on attendance must remain strong and, as the parent community know, we take this part of our job very seriously indeed. We will be contacting parents/carers of those children who are persistently absent, this means any child with an attendance percentage of 90% or less. Please understand that this is a supportive measure and that we are working hard to leave no stone unturned to help your child achieve the very best possible outcomes.

What Parents & Educators Need to Know about TRACKING DEVICES

Bluetooth tracking devices like Apple's AirTag and Samsung's SmartTags have exploded in popularity, with millions sold each year. These small tools help people locate their lost items, but their discreet design has also made them attractive for more sinister purposes. From stalking to bullying, tracking devices present unique risks that trusted adults need to understand and address.

WHAT ARE THE RISKS?

STALKING AND HARASSMENT

Because of their tiny size and unassuming appearance, tracking devices can easily be hidden in bags or clothing. They've been used to monitor individuals without their knowledge, with a lawsuit in the US labelling AirTags "the weapon of choice of stalkers and abusers". In the UK, use of tracking devices in coercive control and stalking cases reportedly rose by 317 percent between 2018 and 2023.

TOOLS FOR BULLYING

Tracking devices could allow bullies to follow or locate their targets even outside of school. This makes it difficult for children to find refuge, potentially extending the trauma of bullying into spaces – like home – that should feel safe and secure.

FALSE ACCUSATIONS

Because tracking devices are linked to user accounts, they could be misused to 'prove' ownership of someone else's possessions. Someone could, for example, plant a tracker on another person's belongings to falsely claim them as their own.

INVASION OF PRIVACY

These devices are designed to share location data with the user via other people's phones, which can unintentionally broadcast someone's movements without their consent. This makes them vulnerable to being monitored by strangers without realising.

DIFFICULT TO DETECT

Many tracking devices are designed to be discreet, but that also means they're easy to hide. Without proactive checking or the right tech to detect them, children and young people might not realise they're being tracked.

Advice for Parents & Educators

WATCH FOR WARNING SIGNS

If a child's peers always seem to know their location – whether in person or hinted at online – it could be worth checking for tracking devices. Some, like AirTags, will eventually make a noise if separated from their owner. Listen out for a chirping sound.

CHECK LIKELY HIDING SPOTS

Common places where trackers may be planted include jacket linings, bag seams, pockets, or under bike seats. If you find one, take a photo of the serial number before disposing of it – this could help police trace the account it's linked to.

USE DETECTION APPS

Apple devices running iOS 14.5 or later will notify users of unknown AirTags nearby. Android users can install Apple's 'Tracker Detect' or the third-party app 'AirGuard' to scan for tracking devices from various manufacturers.

HAVE THE CONVERSATION

Talk to your child about what tracking devices are, what signs to look out for, and how they might be misused. Emphasise the legal consequences of using them to prank, harass, or monitor someone.
